

BEFORE YOU PROCEED

You will be asked for a password when trying to access a module – it is the generic Affinity Trust password, and not the one you created to access your own eLearning account.

If your line manager has not shared this with you, please contact them directly before proceeding!

To visit the Affinity Trust eLearning website, please go to: <http://www.affinitytrusttraining.org/> and then click on the 'Register' tab:

If for any reason you complete the training module but want to take the quiz later, that is fine as the system will mark the module as 'complete' which is indicated by a green tick; with just the quiz outstanding. You will therefore be able to click on the quiz link:

Once you have finished the module and quiz you do not need to do anything else, unless you wish to print a copy of your certificate.

The L&D will automatically update Carista if your pass rate is higher than 85%, or will alert your manager if not, so that further development in this topic can be arranged.

THAT'S IT!
